

*Supplement of*

## A pilot study about microplastics and mesoplastics in an Antarctic glacier

30 **Figure S1.** Weather conditions in *Villa Las Estrellas*, during February 2020 based on the  
31 available information we had access to (i.e. *La Villa de la Estrellas*, *Fildes Peninsula*  
32 [climatological information](#)) (A), green rectangle indicates the study period (18/02/2020  
33 and 20/02/2020), and (B) the distance between *Villa Las Estrellas* and *Artigas Beach*  
34 (source: © Google Maps).
