REPLY to reviewer's comments on “A new model for quantifying subsurface ice content based on geophysical data sets” by Hauck, Böttcher & Maurer (The Cryosphere Discussion)

Dear Editor and Reviewers,

thank you very much for your considerate and helpful reviews of our submitted paper. We have modified our manuscript according to your suggestions and would like to address these changes in the following (see attached pdf-file).

We hope that we have responded to all comments in a satisfying way and would like to thank you again for your helpful comments and suggestions.

C1839

Best wishes,

Christian Hauck and Co-Authors
