

Interactive comment on “Isotope hydrological studies on the perennial ice deposit of Saarlhalle, Mammuthöhle, Dachstein Mts, Austria” by Z. Kern et al.

M. Behm

mbehm@mail.tuwien.ac.at

Received and published: 1 September 2010

Just a very short comment: The authors should get in contact with Lukas Plan at the KHA who recently successfully dated organic matter in Feenpalast. Although not directly connected to Saarlhalle, this information would fit to the paper.
