

## ***Interactive comment on “Record mass loss from Greenland’s best-observed local glacier” by S. H. Mernild et al.***

**S. H. Mernild et al.**

mernild@lanl.gov

Received and published: 4 March 2011

We have decided to add an additional figure to the manuscript. A figure illustrating glacier surface topography and individual observation points on the glacier. This will make it easier, instead of looking into previous published papers.
