Interactive comment on "Seasonal variations of glacier dynamics at Kronebreen, Svalbard revealed by calving related seismicity" by A. Köhler et al.

A. Köhler et al.

andreas.kohler@geo.uio.no

Received and published: 28 February 2012

As stated in our review response, Figures 3 and 6 appear small in the paper due to the page format of discussion papers and long text in the captions. Here, we show larger versions of these figures.
