Received and published: 11 August 2011

We will shortly have a new version of the paper ready to upload that fully follows all the suggestions by the two reviewers. We would like to thank the reviewers for the constructive criticism, and hope that you will all find that the revised version meets the high quality standards of 'The Cryosphere' journal.

Best regards,

Lars H. Smedsrud, Anders Sirevaag, Asgeir Sorteberg, Kjell Kloster and Stein Sandven.
