Interactive comment on “A method for sea ice thickness and concentration analysis based on SAR data and a thermodynamic model” by J. Karvonen et al.

J. Karvonen et al.

juha.karvonen@fmi.fi

Received and published: 6 September 2012

Thank You for the reviewer comments to both the reviewers. We are currently updating the manuscript based on the reviewer comments from the two reviewers. However, it will take some time, because the changes require some additional work, in addition to our regular work.
