Interactive comment on “Changing basal conditions during the speed-up of Jakobshavn Isbræ, Greenland” by M. Habermann et al.

M. Habermann et al.

marijke.habermann@gi.alaska.edu

Received and published: 7 August 2013

We thank the anonymous referee for his/her comments on the manuscript. Especially the clarifications of the applied methods and the additional experiments for our approximation of the basal yield stress will improve the manuscript greatly.

A detailed reply to all review comments is provided in the supplement to this comment.
