This paper discusses surface movement of rock glaciers in the Sierra Nevada using InSAR. I enjoyed reading this paper and it is good to see there is still a lot to learn on rock glacier movement.

P6L16 consider 'because of' rather than 'due to'

P9L25 'out' should be 'our'

P14L4 'annul' should be 'annual'

P14L8 'simply' should be 'simplify'
