

Zaragoza, 11-09-2014

Dear editor,

We are pleased to submit a revised version of the manuscript. First of all we want to thank for your effort in improving the work. Recommendations have been taken into account, and a proofread of the paper regarding punctuation has been done. Also figures quality have been improved, and in Figure 3 has been removed the outer frame and also the title.

Looking forward to hear your kind reply.

Jesús Revuelto and co-authors.
