

Interactive comment on “Ice-shelf forced vibrations modelled with a full 3-D elastic model” by Y. V. Konovalov

O. Gagliardini (Editor)

olivier.gagliardini@ujf-grenoble.fr

Received and published: 28 April 2015

Forget about this comment, it was my mistake, mixing the new reviews with reviews from an older papers of yourself I have copied in the wrong directory. Sorry for that.
Regards Olivier Gagliardini
