Dear J. Stroeve et al.,

just to warn you about the article "Rampal, P., Weiss, J., Dubois, C., and Campin, J.-M.: IPCC climate models do not capture Arctic sea ice drift acceleration: consequences in terms of projected sea ice thinning and decline, J. Geophys. Res., 116, C00D07, doi:10.1029/2011JC007110, 2011" that seems to be listed in the reference list but not in the text.

Best regards, Pierre
