Dear Dr. Uotila,

We are very sorry to have neglected to acknowledge the CMIP5 modelling teams and the CMIP5 project. Thank you for reminding us. We will add the modelling groups in our Table 1 and add the following sentence in the revised version of the paper: “We acknowledge the World Climate Research Programme’s Working Group on Coupled Modelling, which is responsible for CMIP, and we thank the climate modeling groups (listed in Table 1 of this paper) for producing and making available their model output. For CMIP the U.S. Department of Energy’s Program for Climate Model Diagnosis and

C1037

Intercomparison provides coordinating support and led development of software infrastructure in partnership with the Global Organization for Earth System Science Portals.”

We have also registered the TCD article at CMIP5 Publications (<http://cmip.llnl.gov/cmip5/publications/>).

Best regards,

Cécile Agosta
