Discussion Paper

6. Revised version of the Figures

7. Revised version of Table 1

8. New supplementary Table S1

Please let me know if you would prefer to have pdfs of the final version of text without the changes enlightened

I hope this will help you in taking your final decision regarding the acceptance of the manuscript for publication in the "The Cryosphere".

I warmly thank for your investment in this editing,

Best regards,

Jean-Louis Tison
