

## ***Interactive comment on “Modelling annual mass balances of eight Scandinavian glaciers using statistical models” by M. Trachsel and A. Nesje***

**M. Trachsel and A. Nesje**

mathias.trachsel@bio.uib.no

Received and published: 10 April 2015

We would like to thank Sebastian Mernild for his short comment. The paper by Mernild et al. 2014 is now briefly discussed in our revised manuscript.
