

Interactive comment on “Impact of Icebergs on Net Primary Productivity in the Southern Ocean” by S.-Y. Wu and S. Hou

E. Brook (Editor)

brooke@geo.oregonstate.edu

Received and published: 13 September 2016

Dear Drs. Wu and Hou:

Now that the review phase of this paper is completed I would like to encourage you to submit a response to the reviews for editorial consideration before undertaking a revised manuscript. The reviewers have raised some significant concerns about some of the data analysis and it would be best to sort out the importance of these comments for the conclusions before going forward with a revised manuscript.

With best wishes, Ed
