Received and published: 10 March 2017

Dear editor, Dear reviewers,

We would like to thank you for your constructive and helpful reviews. We integrated all the reviewer comments and suggestions into the revised manuscript and answered the comments in the attached file (see supplementary file).

We hope that our adaptations answer your comments in an adequate way and would like to thank you again for your helpful comments and suggestions.

Best regards,

C1

Jonas Wicky and Christian Hauck
