Dear Editor and Editorial support, today is the deadline for submitting the answers to the reviewers to our manuscript. I am now uploading the answers to the reviewers. However, the revised version of the manuscript still requires a final editing. Therefore we are kindly asking for an extension to submit the revised manuscript according to your suggestions in https://editor.copernicus.org/index.php/tc-2017-150-EC1.pdf?_mdl=msover_md&_jrl=25&_lcm=oc108lcm109w&_acm=get_comm_file&_ms=60. It will greatly improve the manuscript to still do the final editing.

Please let us know your decision.

Best regards Georg Heygster
