

## Responses to the editor

### Editor comments

**Editor Decision: Publish subject to technical corrections** (06 Feb 2018) by Joel Savarino

Comments to the Author:

Dear Authors

before publishing your work, I would like to see the data deposited in a official database, easily reachable by anyone. Contacting the first author to access the data is not a long term solution.

Possible database depository are

<https://cera-www.dkrz.de/WDCC/ui/cerasearch/>

<https://www.ncdc.noaa.gov/data-access/paleoclimatology-data>

Thank you for your understanding

### Author's responses

We agree with Prof. Savarino, and thanks for the suggestion. Now, the data were uploaded to the database depository, the Chinese National Arctic and Antarctic Data Center,

<http://www.chinare.org.cn/difDetailPublic/?id=9401>, DOI: 10.11856/SNS.D.2018.001.v0

### Changes in the manuscript

The data access is clarified in the manuscript.
