Authors Response:

Dear Editors,

We are delighted to hear that our paper will be published in The Cryosphere and wish to thank the editorial team and the reviewers for their support in revising the manuscript. Also, we are sincerely grateful to the reviewers who offered insightful and thorough comments and greatly improved the original manuscript. We are very grateful for their service.

We confirm that the requested technical corrections have been addressed in the most recent file upload.

Kind regards,

Joseph Cook and co-authors
