

Interactive comment on “A statistical fracture model for Antarctic glaciers” by Veronika Emetc et al.

Veronika Emetc et al.

veronika.emetc@anu.edu.au

Received and published: 30 August 2017

RC: P3, L2-3: which is it? where they are located or where they initiated?

Where they are located.

Changed to: it is essential to know where those fractures are located.
