# *Interactive comment on* "Interannual snow accumulation variability on glaciers derived from repeat, spatially extensive ground-penetrating radar surveys" *by* Daniel McGrath et al.

**Daniel McGrath et al.**

daniel.mcgrath@colostate.edu

Received and published: 19 October 2018

Dear Dr. Karlsson,

We thank both referees for their thoughtful and positive comments on our manuscript. In the attached pdf file, please find our responses to each referee comment (in red text) and subsequent changes to the manuscript (noted by track changes).

Thanks very much,

Dan McGrath and co-authors
