Dear Editor and two Reviewers,

Please find the attached zip file (in tc-2018-195-supplement) which includes the red-lined/clean version of the main text and SI files as well as the point-by-point responses for two Reviewers (RC1 & RC2).

We thank both reviewers for their insightful comments and clear, detailed analysis of our paper. We have attached a redlined draft that shows the changes along with a point-by-point response to each reviewer.

On behalf of all authors,
