

Interactive comment on “A Race for Ice Discharge between Ice Streams on Glaciated Continental Shelves” by Etienne Brouard and Patrick Lajeunesse

Stokes (Editor)

c.r.stokes@durham.ac.uk

Received and published: 30 January 2019

I would like to thank the authors for their careful consideration of the reviewer comments and for submitting a revised manuscript. Given the substantial nature of the revisions and the addition of new material, I have decided to send this back out to one reviewer.
