Interactive comment on "Eemian Greenland ice sheet simulated with a higher-order model shows strong sensitivity to SMB forcing" *by* Andreas Plach et al.

de Boer (Referee)

b.deboer@uu.nl

The editor pointed out to me that I forgot a reference to Van de Berg et al., 2011.

here is the link to that particular paper: http://dx.doi.org/10.1038/ngeo1245
