

Interactive comment on “Effect of uncertainties of Southern Ocean surface temperature and sea-ice change on Antarctic climate projections” by Julien Beaumet et al.

Julien Beaumet et al.

julien.beaumet@univ-grenoble-alpes.fr

Received and published: 15 March 2019

We want to thank reviewer 1 for accepting to review the manuscript and for doing so rapidly. We apologize for late reply, as we wanted to wait for hypothetical comments from a second or third reviewer, which did not happen so far. We reply to each comment in the pdf file attached to this message.

Regards,

Julien Beaumet
