Object: Submission of revised manuscript “Winter tourism under climate change in the Pyrenees and the French Alps: relevance of snowmaking as a technical adaptation” to *The Cryosphere*.

Grenoble, April 3, 2019

Dear Editor,
Dear Jürg,

Please find enclosed our revised submission to *The Cryosphere* entitled “Winter tourism under climate change in the Pyrenees and the French Alps: relevance of snowmaking as a technical adaptation” by Pierre Spandre et al.

We have performed are requested changes in the text and figures. We take this opportunity to thank again the Editor for his comments and work in handling our manuscript.

Sincerely,

Samuel Morin, on behalf of the author team
