

***Interactive comment on “Brief Communication:  
Update on the GPS Reflection Technique for  
Measuring Snow Accumulation in Greenland” by  
Kristine M. Larson et al.***

**Anonymous Referee #2**

Received and published: 27 April 2020

This manuscript by Larson et al. is ready for final publication in TC if the Anonymous Referee #1's (RC1) minor suggestions are made. It is encouraging to see how GPS-IR is being used to measure snow accumulation on ice sheets.
