Dear Peter Hudleston,

We appreciate your constructive and valuable comments to our manuscript tc-2020-133 entitled “Crystallographic analysis of temperate ice on Rhonegletscher, Swiss Alps”. We attach a supplementary file with our answers to your specific comments.

We have considered your typographic recommendations and have provided a point-by-point response to your review comments.

If there are further questions, we are happy to answer them and look forward to hearing back from you regarding your decision.

C1

Kind regards,

Sebastian Hellmann and the co-authors.
