Received and published: 7 October 2020

We would like to extend a warm thank you to all the reviewers for their diligence in reviewing our manuscript and for their encouraging comments. We hope that referees find our responses and changes comprehensive and adequate. Original comments and our replies are presented in the attached supplement; they appear in black and blue italic text respectively. A revised manuscript with tracked changes is also included at the end.

Best regards,

Jan De Rydt, Ronja Reese, Fernando Paolo, Hilmar Gudmundsson
