

## ***Interactive comment on “Impact of water vapor diffusion and latent heat on the effective thermal conductivity of snow” by Kévin Fourteau et al.***

**Andrew Hansen**

hansen@uwyo.edu

Received and published: 11 February 2021

Please find attached a response to the authors' comments on the Technical Note of Hansen in the form of the attached Supplement. I believe the current submission is rapidly advancing the discussion to an abundantly clear conclusion.

Sincerely,

Andrew Hansen
