Referee comments are shown in *black*, our response in *blue*, changes in *red*. Line numbers refer to the newly submitted revised manuscript (pdf).

Authors' response to Dr. Kenny Matsuoka

General comments:

Thanks for your careful revisions. Your responses are satisfactory, and I am happy to accept this article. Please correct one typo in Fig. 1 caption (Quantarctica, not QAntarctica), when you submit the final file for the production.

Response& Changes: We sincerely thank the editor in chief for taking the time to read our manuscript, provide us with constructive comments, and finally agree to accept our article.

We carefully corrected the “QAntarctica” to “Quantarctica” in Fig. 1 caption and marked in *red* in the revised manuscript.
