

Innsbruck, 18.06.2021

Dear Delphine Lannuzel, Editor of The Cryosphere

I am happy to submit, in behalf of all authors, the revised version of our manuscript entitled „*Significant mass loss in the accumulation area of the Adamello glacier indicated by the chronology of a 46 m ice core*”.

The manuscript has been improved according to the comments provided by the reviewers and we hope this enhanced version will be well received.

Sincerely,  
Daniela Festi
