

Authors response to the editor's comments

We thank the editor for pointing out two technical errors and corrected them.

L. 16: resolution The -> resolution. The

Corrected

L. 110: increase -> increasing

As line 110 is: 'decade, but sooner or later will in other mountain regions also, we have to validate and elaborate our monitoring strategies to', we searched for 'increase' and found it in lines 91 and 95, in both lines we replaced 'increase in debris...' by 'increasing debris'.
